Comment #	Sheet/Page/Map/Table #	Comments	Initials	Review Action
1	Demolition Costs	<p>Costs for the wash plant and concrete plant were left out of the 2015 cost estimate.</p> <p>No ground disturbance has occurred at this site, but the Notice of Intention (NOI) includes these facilities. The operator may either:</p> <p>A - Include the costs of the wash plant and concrete plant at this time, adjust the cost estimate accordingly, then submit the revised reclamation surety.</p> <p>B – Remove the wash plant and concrete plant from the NOI, leave the cost estimate as submitted, then submit the reclamation surety accordingly. In this case, the NOI would need to be amended and the reclamation cost estimate and reclamation surety adjusted before these facilities could be included as part of the mining operation.</p>	<p>whw</p> <p>pbb & lah</p>
